Life Christian Foundation

2018 Scholarship Awards Portfolio

Thank you to our Life Christian Foundation Board

Eric Flintoff, Tom Mulledy, Tom Pierson, Ed Ramos, Doug Saugen,

Doug Tufts, Amy Welch, Cheryl Werner

What is the Life Christian Foundation?

The Foundation is a 501©3 non-profit organization formed to provide a perpetual source of revenue that supports Life Center and Life Christian Academy.

What are Endowment Funds?

Endowment funds are designed to accept gifts of cash, bequests (testamentary gifts made through a donor's will), memorial gifts, and other tangible property. Endowment funds have been established so the fair market value of the donor's gift will remain intact and permanently appropriated to the fund. The resources given are invested in securities so only the income generated is spent.

The asset value (fund balance) is protected by the Life Christian Foundation policy whereby only a percentage of the fund may be spent in a given year. This policy allows opportunity for the continual growth of the fund and a continued return on investment—thus extending the life of the endowment fund. Each endowment fund is established with a fund agreement wherein the donor establishes the purpose for the fund and the criteria under which decisions are made for the use of the fund proceeds.

How are Funds Managed and Invested?

Columbia Bank is the investment manager for the Life Christian Foundation. We are fortunate to be associated with this fine organization.
